CORN SHOW GETS UNDER WAY TODAY

With 172 Entries Before Him, C. E. Troyer, Champion Grower Begins Judging This Afternoon

TO MAKE AWARDS TOMORROW

Ninety-Six Contestants For \$75 in Cash Prizes in Culinary Exhibit Every Township Represented

With one hundred and seventy-two entries in all classes, the Rush county corn show offering \$643 in cash prizes and two silver cups as sweepstakes, got under way in the court house this afternoon and will continue until Thursday afternoon at four o'clock.

A culinary exhibit, in which \$75 in cash prizes were also offered, was held in connection with the corn show. There were ninety-six entries in the women's display, which was made in the sheriff's office at the lobby on the main floor where the corn was being displayed.

The number of entries was more than double those last year when sixty-nine entrants contested for the prizes. There were forty-five in the ten ear classes and twenty-four in the single ear classes.

C. E. Troyer of LaFontaine, Wabash county, international champion corn grower, arrived late today to act as judge of the show and brought with him the corn with which he won the grand prize at the international show in Chicago a few weeks ago. Mr. Troyer was crowned corn king before he had been engaged to act as judge at the local show.

Inez Richardson of the home economics department of Purdue university, came this afternoon to judge the entries in the woman's exhibit and it was not expected that her work would be completed before late this afternoon.

The awards in both the show and the woman's exhibit will be made in the morning and the event will close with a program in the assembly room tomorrow afternoon. It is expected, that Mr. Troyer will speak at that time.

Will L. Brown, chairman of the committee, was in charge of the corn show, and Clifford Mauzy acted as secretary. Mrs. Benton Henry of Carthage, Mrs. Fred Bell, Mrs. Bert Davison and others were in charge of the woman's exhibit.

Yellow corn predominated in the show, with white and mixed corn dividing honors for a poor second.

Orange township led the list with the largest number of entries there being twenty-eight contestants from that township alone. Posey and Union townships were second, each with twenty-three entries. Walker and Rushville townships were in third place, each having nineteen contestants. Other townships ranked as follows according to the number of entries:

Ripley thirteen, Richland eleven, Anderson and Noble eight each, Center, Washington and Jackson, each with six.

The entries by townships and classes were as follows:

Ripley—five in the 10 ears yellow corn class four in the single ear yellow, one in the ten ear white, one in the single ear white, one in the ten ear mixed and one in the single ear mixed.

Center—two in the ten ear yellow, two in the single ear yellow, one in the ten ear white and one in the single ear white.

Washington—four in the ten ear yellow and two in the single ear yellow.

Posey—seven in the ten ear yellow, six in the single ear yellow, two in the ten ear white, four in the single ear white, three in the ten ear mixed and one in the single ear mixed.

Jackson—three each in the ten ear yellow and the single ear yellow.

Union—thirteen in the ten ear yellow, nine in the single ear yellow, two in the ten ear mixed and one in the single ear mixed.

Walker—Eight in the ten ear yellow, seven in the single ear yellow, two in the ten ear white, one in the ten ear mixed and one in the single ear mixed.

Rushville—Ten in the ten ear yellow.

MARRIED LIFE

Elsie Kennedy and Tom Addington
Wedded Dec. 13—He Left 16th

Married life was short for Elsie Addington, according to a complaint filed in circuit court today against Thomas Addington, in which she asks support money. She asserts that they were married on December 13 and that he left her on the 16th, without any means of support. Mrs. Addington was formerly Elsie Kennedy, whose husband died in August. She also figured in a law suit against the City of Rushville before the state industrial board, in which she lost on her claim of \$5,000 for the death of her former husband, who was a city fireman. She seeks \$7.50 a week support money on her complaint.

NET SHOOTERS WILL STAGE BENEFIT GAME

Odd Fellows Team Will Meet College Stars Thursday Night in Game in This City

MUSIC AND FUN IS PLANNED

An opportunity will be offered the basketball fans of the county to view an aggregation of local stars in action next Thursday night when, under the auspices of the Rebekah Lodge, a benefit program has been arranged, at which time the Odd Fellow All Stars, composed of Martin Petry, Brown, Thorpe, Hafnerman and Newhouse will play the college five—John K. Tompkins Cyril Caron, Hank Norris, Norman Reed and Harold Perkins. All the above belong to the local high school alumni and, no doubt, will be greeted by a large audience, anxious to see these former stars of the local school in action. The college team is composed of students home on vacation. The proceeds of the game will be given to the Odd Fellows home at Greensburg to be used for the entertainment of the children and other guests. The use of the Modern Appliance "Gym" has been donated for the event as well as the service of players, officials and musicians.

As a curtain raiser, a game will be put on by members of the Odd Fellows degree staff, none of whom has ever played before. It is anticipated that this game will be the source of much amusement.

Music for the occasion will be provided by the Odd Fellow orchestra. The first game will start at 7:15.

WIDOW OF THE LATE JOHN M. GORMAN DIES

Mrs. Elizabeth Gorman Expires Today at Home of Her Daughter, Mrs. W. B. Kirkpatrick

FUNERAL FRIDAY, 10 A. M.

Mrs. Elizabeth Gorman, widow of the late John M. Gorman, passed away this morning about six o'clock at the home of her daughter, Mrs. William B. Kirkpatrick, 1108 North Main street, following an illness of about one month.

Mrs. Gorman's death was due to heart trouble from which she had been suffering in a serious condition for several days. She was a few days past 79 years of age, and had made her home for some time with her daughter, Mrs. Kirkpatrick.

Besides Mrs. Kirkpatrick, she is survived by one other daughter, Mrs. William Webster of Center township. The funeral services will be held at the Kirkpatrick home Friday morning at ten o'clock by the Rev. C. S. Black. Interment will be made in the Blue River cemetery, north of Rushville.

GOVERNMENT MAY ASSUME CONTROL

Uneasiness is Expressed by Legislators and Others Over Railroad Outlook Now

RATE LISTS CAUSE CONCERN

Esch-Cummins Law Causes Four Questions to Arise Which May Compel Government Operation

(By United Press)

Washington, Dec. 29.—A growing uneasiness that railroads may be thrown back into the hands of the government is becoming apparent by legislators and railroad men today.

Despite the passage of the Esch-Cummins transportation law and efforts of the law's executives and the government to work out a solution under it, four questions including that of rate lists, are demanding answers.

The transportation act interpreted by the interstate commerce commission guarantees the road a 6 per cent rate but fell short \$18,900,000 in August. Reports for the other months have not been completed but it is said they also will show a shortage.

According to Cyler, head of the association of Railroad Executives, the roads despite these shortages do not expect higher rates. However, according to Representative Esch, author of the bill, it is mandatory for the interstate commerce commission to fix the rate high enough to issue the 6 percent rate.

FORD COUPE STOLEN HERE TUESDAY NIGHT

Car Belonging to John McCoy Taken From in Front of the Modern Appliance Building

NO TRACE OF IT FOUND TODAY

A Ford coupe belonging to John McCoy, 225 East Sixth street, was stolen from in front of the Modern Appliance building in West Third street during a basketball game Tuesday evening, and no trace of it could be found today.

Mr. McCoy, after spending the morning searching for the car, was convinced by noon that it had been stolen by professionals who were probably many miles away by that time. Tom Saunders, who drove the car to the game, traveled a few miles out on each of the main roads leading into Rushville this morning, to see if it had been abandoned, but failed to find the stolen machine.

Mr. McCoy, who is a member of the Rush County Horse Thief Detectives association, planned to send out word this afternoon to all of the county associations in this section of the state, warning them to be on the lookout for the car. Police chiefs in surrounding cities were also informed of the theft.

YOUNG PEOPLE ARE INJURED

Bob Sled Breaks on Miller's Hill Near Orange Tuesday Night

A number of young people of the Orange vicinity were slightly injured last evening in a bob sled party, in which they participated at Miller's hill, east of Orange. The sled when making a trip down hill in some manner broke and threw the young people off. Irvin Armstrong was the most seriously injured, sustaining a badly lacerated ankle. Several of the other young people sustained minor bruises and cuts.

SPACEY POOL CHAMPION

John Spacey was the champion pool player in the pool tournament held at the New Salem pool room last evening. The game was played to determine the victor of the tournament held Christmas day which was tied by John Spacey, Garrett Rickerts and Wilbur Stevens. The tourney was a 100 ball game.

ROB BANK AND WOUND TWO MEN

Five Bandits Are Thwarted in Attempt to Loot Financial Institution at Culver, Ind., Today

VICTIMS CRITICALLY HURT

Three Alleged Robbers Caught at Culver and Two at Knox—100 Shots Exchanged With Posse

(By United Press)

Washington, Dec. 29.—Five bandits held up the State Exchange bank here today and shot two of the leading business men of the town.

Three of the alleged robbers were captured by a posse of civilians numbering 15, as the robbers engaged in gun shooting in which 100 shots were exchanged.

Two other alleged members of the gang were taken into custody at Knox by the police today. Most of the money obtained has been recovered, it was announced.

Five bandits drove up to the bank shortly after opening today and two customers and five officials were in the place. Four men entered the bank, leaving the fifth to guard the automobile outside. Each of the men carried two revolvers and fired at intervals as they entered the bank doors to instill fear into those inside.

The officials were rushed into a back room and the robbers swept the piles of coin and bills into a sack and prepared to make their getaway.

The sound of shooting attracted a crowd across the street. Jacob Sain, owner of a dry goods and hardware store, and Jerome Ketchell, stock buyer, were armed and prepared to lead the crowd against the bandits.

As they started across the street several shots were fired through the bank windows by the bandits on the inside of the bank. Ketchell fell with a bullet in his hip and one in his neck. Sain was hit by three bullets, one in his head and the others in his neck.

The bandit in the automobile became frightened and started to drive away. As the machine started up one of the other men jumped into the machine and then fled. They carried most of the money in the machine.

The remaining trio fled through the streets. The posse were hurriedly armed with guns from the hardware store and quickly cornered the bandits in a blind alley.

President Shilling of the bank said the robbers obtained approximately \$10,000. Physicians said the two wounded men were in a critical condition.

GILBERT J. GALYAN ACCIDENTALLY SHOT

13 Year Old Boy in Soldiers' and Sailors' Orphans' Home Killed by Playmate

SHOTGUN IS DISCHARGED

Gilbert J. Galyan, age 13 years, a boy in the Indiana Soldiers' and Sailors' Orphans' home, in northern Rush county, was accidentally shot by a companion yesterday afternoon, and died about midnight, in the hospital ward of the home.

The boy and two others were cleaning the greenhouse walks, when they discovered a shotgun in one of the greenhouses. One of the boys, whose name was not divulged, picked up the gun in order to see if it was loaded and in breaking it over his knee, it was discharged and the shot penetrated Galyan's skull, near the temple.

The accident happened about 2:30 in the afternoon and he died about midnight. John M. Lee, county coroner was called, but has not returned any verdict.

The boy was born in Bloomington and he leaves a mother who lives in Indianapolis, his father being dead. The accident cast a gloom over the home today.

DEMANDS \$500 JUDGMENT

Grover Smith, Farm Laborer, Sues J. Earl Norris in Circuit Court

Grover Smith has filed suit against J. Earl Norris on a complaint demanding \$500 judgment. The plaintiff alleges that he was hired by Norris as a farm hand and was given a house with free rent, a cow and 500 pounds of meat on foot at butchering time, and that he was discharged without cause by the defendant and was thus cheated out of his 500 pounds of meat, and free rent, besides being thrown out of work. Because of this, the plaintiff seeks judgment in the sum of \$500, in which sum he alleges he was injured by being unmercifully dismissed.

MAYS PATRONS TO ORDER PHONES OUT

Committee Reports Tuesday Night Spiceland Co. Gave Them Very Little Satisfaction

RATE INCREASE PROTESTED

At the meeting of the Center Township Farmers' association last night, which was held in the town hall at Mays, the committee reported concerning the result of their conference with the owners of the Spiceland telephone company which operates the exchange at Mays, and who will put new rates into effect on January first.

The committee stated that they did not get much satisfaction out of the directors, and were told that they were helpless to change the ruling made by the public service commission. One member of the company stated that he would consult with the public service commission in an effort to bring about a change.

The committee did not think very seriously of the manner in which their pleas were considered and today a great number of the patrons protested against an increase in rates, which amounts to \$3 on the year.

The committee that consulted with the authorities were Dr. Lord, Walter Bitner and Alden Colter. Charles McBride was originally on the committee, but could not attend, and his place was taken by Mr. Bitner.

BOARD ADJOURS SINCE FOR THE YEAR 1920

Commissioners Will Not Meet Again Until Next Year When New Member Will Take Seat.

P. A. NEWHOUSE WILL RETIRE

The county board of commissioners adjourned sine die Tuesday for the year 1920, and will not meet again until next year, when P. A. Newhouse of this city will retire in favor of Sam Young, who was elected a member of the board from the middle district last November.

The board appointed about sixty constables for the National Horse Thief Detective association and transacted other routine business, including the approving of the bond of Frank Catt, surveyor-elect, for \$10,000. The board also approved the final report of the superintendent and engineer for the Homer Powell road.

A few days ago the commissioners allowed the contract for providing supplies for the county offices for the next year to the A. E. Boyce company of Muncie. This concern has held the contract for several years and was the only bidder this year.

RECOVERS SLOWLY

Mrs. Charles Newhouse is slowly recovering from the effects of the burns she received early in the fall.

ONE LICENSE TO WED

A marriage license was issued this morning to George W. Ewing of Carthage and Mrs. Mary E. Lane also of Ripley township.

COMPETITIVE EXHIBITS ARE HELPFUL IN CREATING ADDED INTEREST IN GARDENING

Exhibits of Fruit and Vegetables Stimulate Interest in Gardening and Foster Community Spirit.

An organized competition among

neighbors helps create added interest in vegetable, fruit, and flower growing in a community. To aid those who desire to have a horticultural show or a garden competition, but who do not know exactly how to conduct one, is the purpose of a circular recently issued by the department of agriculture. The methods given in it are those which experience has proved to be easiest and best. Among the subjects treated are classification of entries, the arrangement of the hall and of the exhibits, the points observed in judging various horticultural exhibits, and the prizes offered.

Scope of the Exhibits.

An organization already in existence, such as a county or state fair, a farmers' club, a grange, a garden or horticultural club, or a boys' and girls' club, may either a horticultural exhibit or a group may be brought together especially for the purpose.

Once organized, this circular suggests, the first step is to outline the scope of the exhibit. Competitions to be interesting must be fair and equitable.

In order to make them so, competitors with similar opportunities should be matched against one another. The exhibits should be divided into as small units as possible, so that the person with only a few square feet of ground may show such products as he may grow, in even competition with like

RENEWAL OF TRADE WITH RUSSIA URGED

Harding is Being Asked to Open up Commerce Which Will Relieve Economic Situation

HE IS NOT YET CONVINCED

(By United Press)

Marion, Ohio, Dec. 29.—Restoration of trade with Russia is being urged on President-elect Harding by many of his influential advisers and is being seriously considered as one of the proposed policies of the incoming administration.

It is reported that Soviet Russia has cancelled millions of dollars of contracts with America. Herbert Hoover, Nicholas Murray Butler and others who were in Marion recently urged upon Harding the necessity of opening up the large wealth of Russia. Until this is done, they declared, the economic turmoil of Europe and the United States will continue.

Harding has no sympathy with the Soviet government and is opposed to doing anything which would aid them in anyway.

O. Strauss conferred with Harding Tuesday about the aspiration of the American Jewry for appointment of one of their number to be ambassador to Germany when diplomatic relations are restored.

3,500,000 CHILDREN FACING STARVATION

Vast Relief Effort Launched by Eight Leading American Organizations to Avert Tragedy.

The most spontaneous as well as the largest consolidation of effort in the history of American relief and charitable organizations has grown out of the disaster which threatens 3,500,000 European children this winter. To the headquarters of every agency that dispenses American mercy overseas has come one steady cry for months past; the children, most helpless and blameless sufferers in the track of war, will perish by the thousands before next harvest unless America saves them!

When Dr. Livingston Farrand, chairman of the Central Committee of the American Red Cross, returned from a recent trip abroad, his report throbbed with the need of the children. From the feeding-stations of the American Relief Administration throughout eastern and central Europe came letters, cables, pleas of every sort. The Protestant churches sent investigators into after-war conditions and every report breathed the impending tragedy of starving and diseased children. Protestant, Catholic and Jewish, the child life of Europe is threatened with heartrending misery.

The European Relief Council, with Herbert Hoover as chairman and the whole power of American charitable thought and effort behind it, has been formed. It consists of Edgar Rickard, representing the American Relief Administration; Dr. Livingston Farrand, representing the American Red Cross; Felix Warburg, representing the Jewish Joint Distribution Committee; Wilbur K. Thomas, representing the American Friends' Service Committee; James A. Flaherty, representing the Knights of Columbus; Dr. C. V. Hibbard, representing the Young Men's Christian Association; Miss Sarah S. Lyon, representing the Young Women's Christian Association; Dr. Arthur Brown, representing the Federal Council of Churches.

It is the purpose of the Council to raise \$33,000,000, in an appeal centering at the Christmas holidays, to the end that the situation regarding child life may be met. In every town and community of the nation, it is hoped, local committees, representing all the co-operating agencies will be formed to secure the vitally necessary funds. Of the amount sought, \$28,000,000 will be used for basic food. For every one of these American dollars the local governments and communities aided will furnish two dollars, in the form of transportation, labor, guards, clerical help, cash contributions and such food supplies as are locally obtainable. No children receive the free food except after medical tests showing them to be seriously under-nourished. The remaining \$10,000,000 of the fund is just as urgently needed for medical service to the children.

The European Relief Council will do much more than effect economies in the raising of the child-saving fund. It will, with the inspecting forces of eight great agencies, keep a constant eye on the administration of America's merciful gift, in order that there shall be no waste and no tendency toward pauperization.

Marie—No, I'm practicing on the gas range now.

The Way Now. Mary has a little vote, And all the manly souls That Mary knows are urging her To take it to the polls.

A Bad Break. "Were you at the christening?" "Yes, and the father made a terrible break."

"That so?"

"Yep, tried to tip the minister a dollar."

Renewed Curiosity. "That old fellow must have been treated with goat glands."

"What makes you think so?"

"The way he is always butting into other people's affairs."

The Reason. "Do you like silk shirts?" "No."

"Then why do you wear them?"

"Just to show folks I can afford 'em."

Great Place. "What is Utopia?"

"That's the place where the government pays every man a salary for minding his own business."

More Garbage. Sunday morning Jean, age three, watched her mother prepare fruit salad. To make it extra good all the choice fruits in season were added. At dinner after Jean had finished eating his salad he said, "I want some more." "Some more what?" he was asked. "Oh, some more of that garbage," was the reply.

The Year to Come

What of the year that is to come
of the twelve months that must
intervene before we enter again upon
the joys of a Yuletide season?

What will that season of opportunity bring to our own home people? For opportunity is always before us. It is only when we refuse to see it, and to grasp it, that we

complain of our condition, and of our lack of success.

Will another Christmas see us more prosperous, more contented, happy and care free? Will it see us better men and women than we are today?

It is not difficult for us to achieve this happy state.

We have brains, and hands, and good health, and a knowledge of the requirements of business life. With a proper and energetic employment of these, and the taking advantage of each opportunity as it presents itself, there should be no element of doubt whatever in our future.

Rural communities are the last to feel the results of a reaction in the business world. Even there is more in imagination than in fact.

In entering upon the new year we should do so with one set purpose in mind—that of achieving continued success, regardless of conditions that may exist elsewhere.

Think of it? Only twelve months until Christmas comes to us again. To a few the time may seem long, and dreary, and full of trouble. But to most of us it will be only too short, for life is slipping away, and the years that have flown may never be recalled.

Having exhausted every other form of innocent amusement, our big cities are now turning to wholesale murder for their daily pastime. It's

a popular sport—with the undertakers.

We, thank you, enjoyed our Christmas to the limit. Not once did we even permit ourselves the exquisite pleasure of remembering such sordid matter as 'paying the freight.'

Women whose husbands snore in their sleep never get interested in jazz music.

In Russia, we presume, it was a red Christmas.

Takes His Choice.

Mrs. Styles—I want one of those new military bonnets, dear.

Mr. Styles—How much are they?

"About \$35, I believe."

"I can't afford that, and, besides, I don't see why you want a military bonnet. You're not going to fight, are you, dear?"

"I am if I don't get that bonnet."

No Good, Anyway.

Mrs. Fussybody—I think it's an outrage that Mrs. Kaynayne should keep those four mangy dogs when so many people are doing without meat.

Her Husband—Oh, well, the mutts are old and tough enough and probably no one would care to eat 'em, anyhow.

Different Procedure.

"People don't shove their money over the bar for drink the way they used to."

"No," agreed Uncle Bill Bottletop. "Instead of shoving the money over the bar you have to give it to the cashier for a bunch of soda water tickets."

Housewifery.

She gets some yeast and plans a feast Of which I hate to think; The things she'll make are bad-to-take In food and worse in drink.

Cold Encouragement.

He—Darling, I dream of you as my own.

She—But dreams, you know, go by contraries.

Disappointment.

Agent—Is that soubrette I sent you chic?

Manager—Chick? I should say not! She is a regular old hen.

Association.

"The young man who comes to see Maud has such an explosive manner." "No wonder, when his father is in the fireworks business."

Romps Away With Long End of 36 to 13 Score in Game With Connorsville Legionnaires

GOOD SPORT THE FIRST HALF

During Last Period Local Independents Hold Visiting Quintet to One Field Goal

The Odd Fellows basketball team romped all over the Connorsville American Legion team here last night, the score being 36 to 13.

The visitors were outplayed in the last half, when Rushville made 20 points while Connorsville was making 4. When the game first started each team put up a hard game, and shortly before the first half ended the score was tied at 8 points.

Rushville then took a spurt and counted 16, and the score for the first period ended with Rushville at 16 points and Connorsville at 9. In the last half the locals put in good team work and walked over Connorsville, holding them down to a single field goal.

In the preliminary game the Webb high school won from the New Salem team, 30 to 12. The New Salem team was weakened by the absence of some of their best players, or the game no doubt would have been much closer.

The Odd Fellows will play the Blue Ridge team here next Tuesday night.

The score and summary:

Odd Fellows (36) Connorsville (13)
Titsworth F Wise
Henley F Myers
Martin C Pohlman
Shaw G Lewis
Petry G Wanley

Substitutions: Odd Fellows, Hilligoss for Titsworth; Connorsville, Sanders for Wise. Field goals, Titsworth 4, Henley, Martin 6, Shaw 4, Hilligoss 2, Myers, Pohlman, Wanley. Foul goals, Titsworth, Shaw, Wise, Myers 4.

**FORTVILLE NOT IN
CLASS WITH MILROY**

Milroy Triples Score, 36 to 12, on Visitors Tuesday Night in Game Played at Milroy

BIG GAME ON FRIDAY

The Milroy high school basketball team chalked up another victory last night, when they took the Fortville team into camp, 36 to 12. The victory was an easy one for the Milroy team and in the last half, substitutes were used.

The Fortville team made the trip to Milroy in a large touring car, and spent yesterday afternoon in this city. They play in Rushville on January 8.

The game last night was a practice affair for Milroy and after getting a good lead in the first half, Milroy toyed with the visitors. The first half ended 23 to 8. Kenneman, center for Fortville, was the big point getter for the visitors.

Osterling and Stewart each made 6 field goals for Milroy, and McKee made three, and D. Jones, floor guard made two. Stewart also threw two foul goals. Milroy leaves Friday morning for Hartford City, where they will meet the team from that city Friday night. This game is considered one of the heaviest on the schedule for Milroy, but Coach McCullough is confident that his team will win.

TOUR SOUTHERN INDIANA

Moscow Independents Play First Game at Brownstown

The Moscow Independent basketball team are making a tour of the southern part of the state this week, playing their first game last night at Brownstown. Tonight they will play at Oolitic, Orleans on Thursday at Salem on Friday and will end the tour at Scottsburg on Saturday night, when they play the Commercials of that place.

Next week the Moscow team has two hard games scheduled when they go to Atlanta and Tipton meeting the two strong independent teams of those two places. The Moscow team has won six straight victories this season.

Amusements

Bebe Daniel at Princess

That the cleverness and wit of good musical comedy can be adequately transferred to the screen will be proven at the Princess theatre when "Oh Lady Lady" will be shown with Bebe Daniels as the star, Harrison Ford and Walter Hierson support. "Oh Lady Lady" it will be remembered, is the very successful Bolton and Wodehouse production which scored such a very tremendous hit only a few years ago.

By adding new scenes and taking advantage of the wider range of the films Edith Kennedy, the scenarist, has really added to the play's fun possibilities. She has created a laugh that starts on high speed and stays locked in that gear from the first reel till the final fadeout.

Miss Daniels is splendid as the gawky country girl whose transformation into a famous chorus beauty brings innocent entanglement as a supposed "vampire."

Of course the rotund Walter Hierson is a delight as the serious-minded young man who fears that his one time country sweetheart is going to complicate things by bringing a breach of promise suit just as he is about to marry a very pretty and conventional young lady.

Harrison Ford is likable, as usual in the straight male lead of the play. He has been making an exceptional hit in Realart pictures recently, appearing also with Wanda Hawley in "Miss Hobbs" and "Food for Scandal."

"The Girl in the Rain", Mystic. The Mystic offers for today "The Girl in the Rain" starring Anne Cornwall, who has forged her way to the front of filmdom so rapidly and so deservedly.

"The Girl in the Rain" is based on a novel by Varick Vanard and was directed by Rollin Sturgeon, who may always be depended upon for a production that is well acted and perfectly filmed. The youthful star is ably supported in this feature by James Liddy as the young Virginia aristocrat; Lloyd Bacon as Walter, a fugitive from the law; Jesselyn Van Trump as his accomplice; James Farley as a detective; George Kenkel as a rural sheriff; Neal Hardin as a secret investigator.

and with a score of other roles in capable hands.

Anne Cornwall has the role of a young girl who leaves school, where she has been cared for by her brother, only to find that this relative's source of income is looked upon with disfavor by the law. However she considers it her duty to stick by him until he is safe from detection and has an opportunity to turn over a new leaf.

While pursued by the authorities this brother, Walter, accompanied by his sister, Judith, and his wife, Vera, seek shelter in a country hotel in Virginia. In order to remain on the outside in case of apprehension, Judith goes for a ride in the woods, where she is marooned by a terrific thunderstorm and where she meets with an adventure that turns the entire course of her life. Romance comes to her in the person of Boone Pendleton, of the Virginia Pendletons, and the love story which ensues is one of the most unusual ever devised. There is a surprise in every situation until the final climax brings an unlooked for but happy denouement.

MAYFLOWER DAMAGED

Washington, Dec. 28—The yacht Mayflower, on which American presidents and cabinet officials as well as notables from many other nations have rode, caught fire at its wharf Tuesday. The crews and official quarters were destroyed. The damage was estimated at \$100,000.

Why Druggists Recommend Swamp-Root

For many years druggists have watched with much interest the remarkable record maintained by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder medicine. It is a physician's prescription.

Swamp-Root is a strengthening medicine. It helps the kidneys, liver and bladder do the work nature intended they should do.

Swamp-Root has stood the test of years. It is sold by all druggists on its merit and it should help you. No other kidney medicine has so many friends.

Be sure to get Swamp-Root and start treatment at once.

However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle.

An Invitation to the Dance

ONE of the many lovely dance frocks made of taffeta silk is pictured here, and if ever there was a more alluring invitation to the dance than it succeeds in expressing, we will have to look to music to make it. For party dresses, for dancing, nothing seems to have quite the charm of taffeta silk, and it may be rightly described as a joyous fabric in its light colors. In black and dark colors it makes afternoon and dinner frocks unpretentious, but surpassingly charming. The youthful and pretty model shown in the picture employs apricot colored taffeta with a frivolous short overdress of chiffon in the same color. This is made of overlapping flounces having scalloped edges bound with bias folds of the taffeta. The underskirt is moderately wide and ankle length, the simple bodice draped in "V" shaped neck opening at the back and front, and filled in with a chemiselette of fine lace. The sleeves are merely two flounces of the scalloped chiffon.

Many pretty rivals of this dress brighten the display room of the shop that presents it. There is one in pink

taffeta having a plain "baby" waist with straps of taffeta over the shoulders and a full round skirt. About the bottom of the bodice there is a narrow frill formed by gathering the skirt to the bodice in this way, and nestling in this frill, across the front, there are small, half-blown garden roses set in a row. Over them and over the bodice there is a veiling of malines scantily draped. It is hardly noticeable, but adds a beautiful touch like a rosy mist over silk and flowers. It is like the taffeta in color.

Imagine, in the company of these two frocks, a third of apple green taffeta, with a low bodice and full skirt gathered on a small wire at the hips. It has a pretty fichu of malines to match, and there are motifs made of light green glass beads scattered about on the skirt.

SEASONABLE GOOD THINGS.

Chicken served in the ordinary way may become monotonous, so something new appeals, try this:

Chicken en Casserole.—Disjoint a chicken and use the best joints; roll in seasoned flour and saute in salt pork fat until browned delicately on all sides. Cut a carrot in even slices; add an onion for each person to be served. From peeled potatoes, cut out a dozen and a half balls. Cook the vegetables in a little of the fat until slightly browned, then dispose the pieces of the chicken and the vegetables in the casserole. With the giblets, neck and other pieces, make some chicken broth, by covering with cold water; pour this while hot over the chicken and vegetables, and after seasoning cover and let cook in the oven until the chicken is tender—it will take about two hours. The broth should be prepared two hours or more before the chicken is ready to cook.

Lamb Chops With Chestnut Croquettes.—Prepare the chops cut evenly from the loin, that each may cut from the bone and be skewered in place. Cook the chops in the oven, turning until well browned. Set them in the center of a hot chop plate, each resting on the bit of back bone attached to it and surround with

Chestnut Croquettes.—Shell and blanch a pint of large chestnuts and cook them in a highly-seasoned broth until tender. When cool, slice in thin slices. Melt one-fourth of a cupful of butter; add one-third of a cupful of flour, a teaspoonful of salt, and a dash of pepper; stir and cook until the flour is absorbed; add one cupful of rich, highly-seasoned broth and half a cupful of cream; stir and cook until smooth and thick, then add the chestnuts. Turn out on a buttered plate and cool. When cold, shape into croquettes, egg crumb and fry in deep fat.

Isaac B. Turnman, Asbury Park, N.J., writes:

"My back caused me a great deal of trouble for some time. I experienced sharp, shooting pains which were due to the condition of my kidneys. One bottle of Foley Kidney Pills completely relieved me. The pains left my back. I recommend Foley Kidney Pills to my friends."

AMERICANS' DIETARY STANDARDS CHANGED

People Are Eating Great Deal Less Meat.

Recent Survey Made by Department of Agriculture Shows That More Milk, Butter and Cheese Are Being Consumed.

Whether it is because of the increased cost of meat or because people's tastes have changed, the fact remains that Americans are eating 8 per cent less meat than they were 20 years ago. This is disclosed in a recent dietary survey made by the United States Department of Agriculture.

In this survey 2,000 dietary records, each covering a period of 7 days, were collected from 1,425 families and 575 institutions in 46 states. Sixteen nationalities and many occupations and incomes were represented, as were also both urban and rural localities.

From a summary of 500 of these family records it appears that last year the average cost of food per man per day was 46 cents, with an average return in food value of 3,225 calories, 96 grams protein, 118 grams fat, and 405 grams carbohydrate. These figures are in fairly close accord with the dietary standards ordinarily used in discussing such problems of general nutrition.

A comparison of the foodstuffs purchased by the 500 families with the amounts of the same food purchased by 400 families about 20 years ago shows that the amount of meat in the American diet has decreased about 8 per cent, and the amount of grain products about 11 per cent. People are eating more milk, butter and cheese than they were two decades ago, for the amount of dairy products consumed has increased about 6 per cent. Four per cent more vegetables and 8 per cent more fruit is being eaten now.

Some individual food habits undoubtedly need to be corrected, but judging by these studies, it seems fair to conclude that the average diet seems to be adequate.

Vern Smith
If our hope were not in God, our sorrow today would be almost unbearable; language is inadequate to express our appreciation of the life of Vern Smith, which came to an untimely end, Wednesday evening, December 22, 1920, after medical science had exhausted all of its resources for his relief.

Vern was so reticent and energetic that few beyond his immediate family knew that he had been afflicted for a long time with chronic stomach trouble and the announcement of his serious illness and death came as a surprise and shock to the entire community where he was well and favorably known as an enterprising and successful farmer, a public spirited citizen and an honorable and courteous gentleman.

It was in his home and his family that his interests were centered. Since October 8th, 1902, the date of his marriage to Helen Rea, every purpose of his life has been directed toward the comfort and welfare of his beloved wife and children, Lillie and Rea.

His home has always been in the vicinity of Falmouth, where the prominence and good standing of his ancestral families gave him a greater prestige and wider sphere of influence than that usually enjoyed; this he regarded not only as his good fortune but his opportunity for broader and more useful service, which was one of the most noticeable characteristics of his nature.

Although we mourn with his aged parents, his grief stricken brother and heart broken family that the pleasant associations of the past are to be no more; yet we are consoled by the fact that his life of a little more than forty-one years was not lived in vain and that we have a promise of a happy reunion in the life to come through the gift of Him in whom we all believe and whom Vern publicly acknowledged in September 1920.

Much more might be written but his life was an open book that all may read; his influence will continue to live and be a prized heritage to all that it reaches, for the good that men do lives after them.

"I Shall Never Quit Praising Tanlac," Says Nieten—Health Has Been Completely Restored.

"My experience has convinced me that Tanlac is the greatest medicine in the world, for it gave me relief after everything else had failed," said H. Nieten, of 1410 Second Ave. Evansville, Ind.

"For about two years I suffered from indigestion and nervousness. Everything I ate caused a heavy feeling like lead in the pit of my stomach and bloated me up with gas until I nearly smothered. I couldn't eat meat or potatoes, in fact there were a number of things I never dared touch, for if I did I was sure to suffer agony afterwards."

"My nerves are steady and I sleep fine at night and am never bothered with these spells of dizziness. The pains have gone from my side and chest and I never feel an ache or a pain anywhere. I can work all day long without having to stop and rest, and am feeling fine in every way. I intend to keep a bottle of Tanlac in the house all the time and I shall never quit praising it."

Tanlac is sold in Rushville by F. B. Johnson Co., in Milroy by Dallas Copper, in Manilla by Geo. J. Inlow, in Arlington by Mrs. L. T. Davis, in Carthage by Otto C. McCarty, and in New Salem by Mrs. Jos. Hanks, R. R. 2.—(Adv.)

CORN SHOW GETS UNDER WAY TODAY

With 172 Entries Before Him, C. E. Troyer, Champion Grower Begins Judging This Afternoon

TO MAKE AWARDS TOMORROW

Ninety-Six Contestants For \$75 in Cash Prizes in Culinary Exhibit Every Township Represented

With one hundred and seventy-two entries in all classes, the Rush county corn show offering \$643 in cash prizes and two silver cups as sweepstakes, got under way in the court house this afternoon and will continue until Thursday afternoon at four o'clock.

A culinary exhibit, in which \$75 in cash prizes were also offered, was held in connection with the corn show. There were ninety-six entries in the women's display, which was made in the sheriff's office at the lobby on the main floor where the corn was being displayed.

The number of entries was more than double those last year when sixty-nine entrants contested for the prizes. There were forty-five in the ten ear classes and twenty-four in the single ear classes.

C. E. Troyer of LaFontaine, Wabash county, international champion corn grower, arrived late today to act as judge of the show and brought with him the corn with which he won the grand prize at the international show in Chicago a few weeks ago. Mr. Troyer was crowned corn king before he had been engaged to act as judge at the local show.

Inez Richardson of the home economics department of Purdue university, came this afternoon to judge the entries in the woman's exhibit and it was not expected that her work would be completed before late this afternoon.

The awards in both the show and the woman's exhibit will be made in the morning and the event will close with a program in the assembly room tomorrow afternoon. It is expected that Mr. Troyer will speak at that time.

Will L. Brown, chairman of the committee, was in charge of the corn show, and Clifford Manzy acted as secretary. Mrs. Benton Henley of Carthage, Mrs. Fred Bell, Mrs. Bert Davison and others were in charge of the woman's exhibit.

Yellow corn predominated in the show, with white and mixed corn dividing honors for a poor second.

Orange township led the list with the largest number of entries there being twenty-eight contestants from that township alone. Posey and Union townships were second, each with twenty-three entries. Walker and Rushville townships were in third place, each having nineteen contestants. Other townships ranked as follows according to the number of entries:

Ripley thirteen, Richland eleven, Anderson and Noble eight each, Center, Washington and Jackson, each with six.

The entries by townships and classes were as follows:

Ripley—five in the ten ear yellow corn class four in the single ear yellow, one in the ten ear white, one in the single ear white, one in the ten ear mixed and one in the single ear mixed.

Center—two in the ten ear yellow, two in the single ear yellow, one in the ten ear white and one in the single ear white.

Washington—four in the ten ear yellow and two in the single ear yellow.

Posey—seven in the ten ear yellow, six in the single ear yellow, two in the ten ear white, four in the single ear white, three in the ten ear mixed and one in the single ear mixed.

Jackson—three each in the ten ear yellow and the single ear yellow.

Union—thirteen in the ten ear yellow, nine in the single ear yellow, two in the ten ear mixed and one in the single ear mixed.

Walker—Eight in the ten ear yellow, seven in the single ear yellow, two in the ten ear white, one in the ten ear mixed and one in the single ear mixed.

Rushville—Ten in the ten ear yellow.

MARRIED

Elsie Kennedy and Tom Addington
Wedded Dec. 13.—He Left 16th

Married life was short for Elsie Addington, according to a complaint filed in circuit court today against Thomas Addington, in which she asks support money. She asserts that they were married on December 13 and that he left her on the 16th, without any means of support. Mrs. Addington was formerly Elsie Kennedy, whose husband died in August. She also figured in a law suit against the City of Rushville before the state industrial board, in which she lost on her claim of \$5,000 for the death of her former husband, who was a city fireman. She seeks \$7.50 a week support money on her complaint.

NET SHOOTERS WILL STAGE BENEFIT GAME

Odd Fellows Team Will Meet College Stars Thursday Night in Game in This City.

MUSIC AND FUN IS PLANNED

An opportunity will be offered the basketball fans of the county to view an aggregation of local stars in action next Thursday night when, under the auspices of the Rebekah Lodge, a benefit program has been arranged, at which time the Odd Fellow All Stars, composed of Martin, Petry, Brown, Thorpe, Halferty and Newhouse will play the college five—John K. Tompkins Cyril Caron, Hank Norris, Norman Reed and Harold Perkins. All the above belong to the local high school alumni and, no doubt, will be greeted by a large audience, anxious to see these former stars of the local school in action. The college team is composed of students home on vacation. The proceeds of the game will be given to the Odd Fellows home at Greensburg to be used for the entertainment of the children and other guests. The use of the Modern Appliance "Gym" has been donated for the event as well as the services of players, officials and musicians.

As a curtain raiser, a game will be put on by members of the Odd Fellows degree staff, none of whom has ever played before. It is anticipated that this game will be the source of much amusement.

Music for the occasion will be provided by the Odd Fellow orchestra. The first game will start at 7:15.

WIDOW OF THE LATE JOHN M. GORMAN DIES

Mrs. Elizabeth Gorman Expires Today at Home of Her Daughter, Mrs. W. B. Kirkpatrick

FUNERAL FRIDAY, 10 A. M.

Mrs. Elizabeth Gorman, widow of the late John M. Gorman, passed away this morning about six o'clock at the home of her daughter, Mrs. William B. Kirkpatrick, 1108 North Main street, following an illness of about one month.

Mrs. Gorman's death was due to heart trouble from which she had been suffering in a serious condition for several days. She was a few days past 79 years of age, and had made her home for some time with her daughter, Mrs. Kirkpatrick.

Besides Mrs. Kirkpatrick, she is survived by one other daughter, Mrs. William Webster of Center township. The funeral services will be held at the Kirkpatrick home Friday morning at ten o'clock by the Rev. C. S. Black. Interment will be made in the Blue River cemetery, north of Rushville.

GOVERNMENT MAY ASSUME CONTROL

Uneasiness is Expressed by Legislators and Others Over Railroad Outlook Now

RATE LISTS CAUSE CONCERN

Esch-Cummins Law Causes Four Questions to Arise Which May Compel Government Operation

(By United Press)

Washington, Dec. 29.—A growing uneasiness that railroads may be thrown back into the hands of the government is becoming apparent by legislators and railroad men today.

Despite the passage of the Esch-Cummins transportation law and efforts of the law's executives and the government to work out a solution under it, four questions including that of rate lists, are demanding answers.

The transportation act interpreted by the interstate commerce commission guarantees the road a 6 per cent rate but fell short \$18,900,000 in August. Reports for the other months have not been completed but it is said they also will show a shortage.

According to Cyler, head of the association of Railroad Executives, the roads despite these shortages do not expect higher rates. However, according to Representative Esch, author of the bill, it is mandatory for the interstate commerce commission to fix the rate high enough to issue the 6 percent rate.

FORD COUPE STOLEN HERE TUESDAY NIGHT

Car Belonging to John McCoy Taken From in Front of the Modern Appliance Building

NO TRACE OF IT FOUND TODAY

A Ford coupe belonging to John McCoy, 225 East Sixth street, was stolen from in front of the Modern Appliance building in West Third street during a basketball game Tuesday evening, and no trace of it could be found today.

Mr. McCoy, after spending the morning searching for the car, was convinced by noon that it had been stolen by professionals who were probably many miles away by that time.

Tom Saunders, who drove the car to the game, traveled a few miles out on each of the main roads leading into Rushville this morning, to see if it had been abandoned, but failed to find the stolen machine.

Mr. McCoy, who is a member of the Rush County Horse Thief Detectives association, planned to send out word this afternoon to all of the county associations in this section of the state, warning them to be on the lookout for the car. Police chiefs in surrounding cities were also informed of the theft.

YOUNG PEOPLE ARE INJURED

Bob Sled Breaks on Miller's Hill Near Orange Tuesday Night

A number of young people of the Orange vicinity were slightly injured last evening in a bob sled party, in which they participated at Miller's hill, east of Orange. The sled when making a trip down hill in some manner broke and threw the young people off. Irvin Armstrong was the most seriously injured, sustaining a badly lacerated ankle. Several of the other young people sustained minor bruises and cuts.

ROB BANK AND WOUND TWO MEN

Five Bandits Are Thwarted in Attempt to Loot Financial Institution at Culver, Ind., Today

VICTIMS CRITICALLY HURT

Three Alleged Robbers Caught at Culver and Two at Knox—100 Shots Exchanged With Posse

(By United Press)

Culver, Ind., Dec. 29.—Five bandits held up the State Exchange bank here today and shot two of the leading business men of the town.

Three of the alleged robbers were captured by a posse of civilians numbering 15, as the robbers engaged in gun shooting in which 100 shots were exchanged.

Two other alleged members of the gang were taken into custody at Knox by the police today. Most of the money obtained has been recovered, it was announced.

Five bandits drove up to the bank shortly after opening today and two customers and five officials were in the place. Four men entered the bank, leaving the fifth to guard the automobile outside. Each of the men carried two revolvers and fired at intervals as they entered the bank doors to instill fear into those inside.

The officials were rushed into a back room and the robbers swept the piles of coin and bills into a sack and prepared to make their getaway. The sound of shooting attracted a crowd across the street. Jacob Sain, owner of a dry goods and hardware store, and Jerome Ketchell, stock bayer, were armed and prepared to lead the crowd against the bandits.

As they started across the street several shots were fired through the bank windows by the bandits on the inside of the bank. Ketchell fell with a bullet in his hip and one in his neck. Sain was hit by three bullets, one in his head and the others in his neck.

The bandit in the automobile became frightened and started to drive away. As the machine started up one of the other men jumped into the machine and then fled. They carried most of the money in the machine.

The remaining trio fled through the streets. The posse were hurriedly armed with guns from the hardware store and quickly cornered the bandits in a blind alley.

President Shilling of the bank said the robbers obtained approximately \$10,000. Physicians said the two wounded men were in a critical condition.

BOARD ADJOURS SINCE DIE FOR THE YEAR 1920

Commissioners Will Not Meet Again Until Next Year When New Member Will Take Seat

P. A. NEWHOUSE WILL RETIRE

The county board of commissioners adjourned sine die Tuesday for the year 1920, and will not meet again until next year, when P. A. Newhouse of this city will retire in favor of Sam Young, who was elected a member of the board from the middle district last November.

The board appointed about sixty constables for the National Horse Thief Detective association and transacted other routine business, including the approving of the bond of Frank Catt, surveyor-elect, for \$10,000. The board also approved the final report of the superintendent and engineer for the Homer Powell road.

A few days ago the commissioners allowed the contract for providing supplies for the county offices for the next year to the A. E. Boyce company of Muncie. This concern had held the contract for several years and was the only bidder this year.

RECOVERS SLOWLY

Mrs. Charles Newhouse is slowly recovering from the effects of the burns she received early in the fall.

DEMANDS \$500 JUDGMENT

Grover Smith, Farm Laborer, Sues J. Earl Norris in Circuit Court

Grover Smith has filed suit against J. Earl Norris on a complaint demanding \$500 judgment. The plaintiff alleges that he was hired by Norris as a farm hand and was given a house with free rent, a cow and 500 pounds of meat on foot at butchering time, and that he was discharged without cause by the defendant and was thus cheated out of his 500 pounds of meat, and free rent, besides being thrown out of work. Because of this, the plaintiff seeks judgment in the sum of \$500, in which sum he alleges he was injured by being unmercifully dismissed.

MAYS PATRONS TO ORDER PHONES OUT

Committee Reports Tuesday Night Spiceland Co. Gave Them Very Little Satisfaction

RATE INCREASE PROTESTED

At the meeting of the Center Township Farmers' association last night, which was held in the town hall at Mays, the committee reported concerning the result of their conference with the owners of the Spiceland telephone company which operates the exchange at Mays, and who will put new rates into effect on January first.

The committee stated that they did not get much satisfaction out of the directors, and were told that they were helpless to change the ruling made by the public service commission.

As they started across the street several shots were fired through the bank windows by the bandits on the inside of the bank. Ketchell fell with a bullet in his hip and one in his neck. Sain was hit by three bullets, one in his head and the others in his neck.

The committee did not think very seriously of the manner in which their pleas were considered and to-day a great number of the patrons notified the company to discontinue their service on December 31. The patrons, which are about 100, protested against an increase in rates, which amounts to \$3 on the year.

The committee that consulted with the authorities were Dr. Lord, Walter Bitner and Alden Colter. Charles McBride was originally on the committee, but could not attend, and his place was taken by Mr. Bitner.

Various reports are required of corporations, large and small. Income from a privately owned business may be included in the individual's report, if his income exceeds the exemption, but stockholders of a corporation are required to keep the firm's business transactions entirely separate from their own.

While the income tax reports are not due until March 1, they are based on the business of the calendar year ending December 31, and the average dealer prefers to complete the statement as soon as possible to get it out of the way. It may then be filed at any time with the collector of internal revenue.

A number of the local dealers are planning pre-inventory sales. In the large stores, special prices are offered on broken and odd lots so that they will be sold before the invoice is begun.

PEACE IN FIUME IS LIKELY

D'Annunzio Notably Missing When Truce is Arranged

(By United Press)

Rome, Dec. 29.—Peace in Fiume was in prospect today when a truce was arranged for between the regular Italian soldiers and legionaries. The truce was made on government terms and foreshadows Fiume's willingness to stand by the Jugo-Slavak treaty.

D'Annunzio, commander of the city, was notably missing today. He left the call for the truce in the hands of the mayor. A report to the Corriere Della Serra here said D'Annunzio had resigned and authorized the

COMPETITIVE EXHIBITS ARE HELPFUL IN CREATING ADDED INTEREST IN GARDENING

Exhibits of Fruit and Vegetables Stimulate Interest in Gardening and Foster Community Spirit.

An organized competition among neighbors helps create added interest in vegetable, fruit, and flower growing in a community. To aid those who desire to have a horticultural show or a garden competition, but who do not know exactly how to conduct one, is the purpose of a circular recently issued by the department of agriculture. The methods given in it are those which experience has proved to be easiest and best. Among the subjects treated are classification of entries, the arrangement of the hall and of the exhibits, the points observed in judging various horticultural exhibits, and the prizes offered.

Scope of the Exhibits.

An organization already in existence, such as a county or state fair, a farmers' club, a grange, a garden or horticultural club, or a boys' and girls' club, may further a horticultural exhibit or a group may be brought together especially for the purpose.

Once organized, this circular suggests, the first step is to outline the scope of the exhibit. Competitions to be interesting must be fair and equitable.

In order to make them so, competitors with similar opportunities should be matched against one another.

The exhibits should be divided into as small units as possible, so that the person

with only a few square feet of ground

may show such products as he may grow, in even competition with like

ENTERTAINMENT ON FRIDAY

Christmas Program at Salvation Army Church New Year's Eve

The Salvation Army will hold its annual Christmas entertainment on Friday evening, New Year's eve, the date having been changed because of conflicts with other entertainments held at Christmas.

There will be a Christmas tree laden with gifts for the members of the Sunday school, each of whom will also receive a sack of candy. The program will be given in the Army church.

Following the entertainment, a Watch Night service will be held, and will be led by the Rev. Joe Wainscott of Shelbyville and visiting officers.

The features of this girl portray the finest type of Polish childhood that now lies engulfed in hunger and disease and all their attendant miseries. Relief already administered by America has preserved her beauty and freshness, albeit her eyes betray the suffering she has seen, but literally millions in her own and adjacent countries still have no one to look to but America as another winter of horror closes in upon them. To the end that their prayer may not go unanswered eight leading American relief organizations have banded together in a joint appeal in behalf of Europe's suffering children. They are the American Relief Administration, the American Red Cross, the American Friends' Relief Committee (Quakers), the Jewish Relief Distribution Committee, the Federal Churches of Christ in America, the Knights of Columbus, the Y. M. C. A. and the Y. W. C. A.

Strange Leases.

For weird leases London would be hard to beat in some instances, says a correspondent. He dealt with houses lately which were for sale and found that the ground landlord was the duchy of Cornwall, the leaseholder paying an annual ground rent of fourpence! And this fourpence was sent every year in an envelope which cost twopence, and it cost the duchy twopence to acknowledge receipt! "But there is a stranger lease in the north of London," he said. "Some houses there are leased until the death of the duke of Connaught. There is no other date attached to the document."

An exhibition requires considerable effort, but it is usually felt to be well worth while, even by those upon whom the heaviest burden falls.

We submit that the granting of Philippine independence would be likely to be accepted by Great Britain as even stronger proof of America's belief in self-determination than the passage of the Irish resolutions, because Great Britain's counsellors of state could not then successfully make the point that the American Congress is asking Great Britain to do something the United States itself has been asked to do and has not done.

The Filipino people have confidence in the word of America and hope that now that the Senate has reiterated its sympathy with the principle of self-determination it will give Great Britain and the other powers of the world a concrete example of consistency and good faith by granting Philippine independence.

RENEWAL OF TRADE WITH RUSSIA URGED

Harding is Being Asked to Open up Commerce Which Will Relieve Economic Situation

HE IS NOT YET CONVINCED

(By United Press) Marion, Ohio, Dec. 29.—Restoration of trade with Russia is being urged on President-elect Harding by many of his influential advisers and is being seriously considered as one of the proposed policies of the incoming administration.

It is reported that Soviet Russia has cancelled millions of dollars of contracts with America. Herbert Hoover, Nicholas Murray Butler and others who were in Marion recently urged upon Harding the necessity of opening up the large wealth of Russia. Until this is done, they declared, the economic turmoil of Europe and the United States will continue.

Harding has no sympathy with the Soviet government and is opposed to doing anything which would aid them in anyway.

O. Strauss conferred with Harding Tuesday about the aspiration of the American Jewry for appointment of one of their number to be ambassador to Germany when diplomatic relations are restored.

3,500,000 CHILDREN FACING STARVATION

Vast Relief Effort Launched by Eight Leading American Organizations to Avert Tragedy.

The most spontaneous as well as the largest consolidation of effort in the history of American relief and charitable organizations has grown out of the disaster which threatens 3,500,000 European children this winter. To the headquarters of every agency that dispenses American mercy overseas has come one steady cry for months past; the children, most helpless and blameless sufferers in the track of war, will perish by the thousands before next harvest unless America saves them!

When Dr. Livingston Farrand, chairman of the Central Committee of the American Red Cross, returned from a recent trip abroad, his report throbbed with the need of the children. From the feeding-stations of the American Relief Administration throughout eastern and central Europe came letters, cables, pleas of every sort. The Protestant churches sent investigators into after-war conditions and every report breathed the impending tragedy of starving and diseased children. Protestant, Catholic and Jewish, the child life of Europe is threatened with heartbreaking misery.

The European Relief Council, with Herbert Hoover as chairman and the whole power of American charitable thought and effort behind it, has been formed. It consists of Edgar Rickard, representing the American Relief Administration; Dr. Livingston Farrand, representing the American Red Cross; Felix Warburg, representing the Jewish Joint Distribution Committee; Wilbur K. Thomas, representing the American Friends' Service Committee; James A. Flaherty, representing the Knights of Columbus; Dr. C. V. Hibbard, representing the Young Men's Christian Association; Miss Sarah S. Lyon, representing the Young Women's Christian Association; Dr. Arthur Brown, representing the Federal Council of Churches.

It is the purpose of the Council to raise \$33,000,000, in an appeal centering at the Christmas holidays, to the end that the situation regarding child life may be met. In every town and community of the nation, it is hoped, local committees, representing all the co-operating agencies will be formed to secure the vitally necessary funds.

Of the amount sought, \$28,000,000 will be used for basic food. For every one of these American dollars the local governments and communities aided will furnish two dollars, in the form of transportation, labor, guards, clerical help, cash contributions and such food supplies as are locally obtainable. No children receive the free food except after medical tests showing them to be seriously under-nourished. The remaining \$10,000,000 of the fund is just as urgently needed for medical service to the children.

The European Relief Council will do much more than effect economies in the raising of the child-saving fund. It will, with the inspecting forces of eight great agencies, keep a constant eye on the administration of America's merciful gift, in order that there shall be no waste and no tendency toward pauperization.

For every one of these American dollars the local governments and communities aided will furnish two dollars, in the form of transportation, labor, guards, clerical help, cash contributions and such food supplies as are locally obtainable. No children receive the free food except after medical tests showing them to be seriously under-nourished. The remaining \$10,000,000 of the fund is just as urgently needed for medical service to the children.

The European Relief Council will do much more than effect economies in the raising of the child-saving fund. It will, with the inspecting forces of eight great agencies, keep a constant eye on the administration of America's merciful gift, in order that there shall be no waste and no tendency toward pauperization.

It is the purpose of the Council to raise \$33,000,000, in an appeal centering at the Christmas holidays, to the end that the situation regarding child life may be met. In every town and community of the nation, it is hoped, local committees, representing all the co-operating agencies will be formed to secure the vitally necessary funds.

Of the amount sought, \$28,000,000 will be used for basic food. Syrup**

Pale Children Need Iron

Iron in Syrup form is more easily digested and assimilated than Iron Pills or Iron Tablets, and naturally you get quicker results. The Iron in GROVE'S IRON TONIC SYRUP is digested as soon as it is swallowed and, therefore, is promptly assimilated. You can soon feel its Strengthening, Invigorating Effect.

The Syrup is flavored and children love to take it. Contains no Nux-vomica or other poisonous drugs, therefore, it can be given to The Babe, The Child, The Mother or The Grandmother with perfect safety. 75c.

I.O.O.F. FIVE PUTS IT OVER VISITORS

Hoops Away With Long End of 36 to 13 Score in Game With Connersville Legionnaires

GOOD SPORT THE FIRST HALF

During Last Period Local Independents Hold Visiting Quintet to One Field Goal

The Odd Fellows basketball team romped all over the Connersville American Legion team here last night, the score being 36 to 13.

The visitors were outplayed in the last half, when Rushville made 20 points while Connersville was making 4. When the game first started each team put up a hard game, and shortly before the first half ended the score was tied at 8 points.

Rushville then took a spurt and counted 16, and the score for the first period ended with Rushville at 16 points and Connersville at 9. In the last half the locals put in good team work and walked over Connersville, holding them down to a single field goal.

In the preliminary game the Webb high school won from the New Salem team, 30 to 12. The New Salem team was weakened by the absence of some of their best players, or the game no doubt would have been much closer.

The Odd Fellows will play the Blue Ridge team here next Tuesday night.

The score and summary:

Odd Fellows (36)	Connersville (13)
Titsworth	F. Wise
Henley	F. Myers
Martin	C. Pohlman
Shaw	G. Lewis
Petry	G. Wanley

Substitutions: Odd Fellows, Hillgoss for Titsworth; Connersville, Sanders for Wise. Field goals, Titsworth 4, Henley, Martin 6, Shaw 4, Hillgoss 2, Myers, Pohlman, Wanley. Foul goals, Titsworth, Shaw, Wise, Myers 4.

FORTVILLE NOT IN CLASS WITH MILROY

Milroy Triples Score, 36 to 12, on Visitors Tuesday Night in Game Played at Milroy

BIG GAME ON FRIDAY

The Milroy high school basketball team chalked up another victory last night, when they took the Fortville team into camp, 36 to 12. The victory was an easy one for the Milroy team and in the last half, substitutes were used.

The Fortville team made the trip to Milroy in a large touring car, and spent yesterday afternoon in this city. They play in Rushville on January 8.

The game last night was a practice affair for Milroy and after getting a good lead in the first half, Milroy toyed with the visitors. The first half ended 23 to 8. Kennemann, center for Fortville, was the big point getter for the visitors.

Sterling and Stewart each made 6 field goals for Milroy, and McKee made three, and D. Jones, floor guard made two. Stewart also threw two foul goals. Milroy leaves Friday morning for Hartford City, where they will meet the team from that city Friday night. This game is considered one of the heaviest on the schedule for Milroy, but Coach McCullough is confident that his team will win.

TOUR SOUTHERN INDIANA

Moscow Independents Play First Game at Brownstown

The Moscow Independent basketball team are making a tour of the southern part of the state this week, playing their first game last night at Brownstown. Tonight they will play at Orlie, Orleans on Thursday at Salem on Friday and will end the tour at Scottsburg on Saturday night, when they play the Commercials of that place.

Next week the Moscow team has two hard games scheduled when they go to Atlanta and Tipton meeting the two strong independent teams of those two places. The Moscow team has won six straight victories this season.

Amusements

Bebe Daniel at Princess

That the cleverness and wit of good musical comedy can be adequately transferred to the screen will be proven at the Princess theatre when "Oh Lady Lady" will be shown with Bebe Daniels as the star, Harrison Ford and Walter Hiers in support. "Oh Lady Lady," it will be remembered, is the very successful Bolton and Wodehouse production which scored such a very tremendous hit only a few years ago.

By adding new scenes and taking advantage of the wider range of the films Edith Keenedy, the scenarist, has really added to the play's fun possibilities. She has created a laugh that starts on high speed and stays locked in that gear from the first reel till the final fadeout.

Miss Daniels is splendid as the gawky country girl whose transformation into a famous chorus beauty brings innocent entanglement as a supposed "vampire."

Of course the rotund Walter Hiers is a delight as the serious-minded young man who fears that his one time country sweetheart is going to complicate things by bringing a breach of promise suit just as he is about to marry a very pretty and conventional young lady.

Harrison Ford is likable, as usual in the straight male lead of the play. He has been making an exceptional hit in Realart pictures recently, appearing also with Wanley Hawley in "Miss Hobbs" and "Food for Scandal."

"The Girl in The Rain," Mystic. The Mystic offers for today "The Girl in The Rain" starring Anne Cornwall, who has forced her way to the front of filmdom so rapidly and so deservedly.

"The Girl in The Rain" is based on a novel by Varick Vanardy and was directed by Rollin Sturgeon, who may always be depended upon for a production that is well acted and perfectly filmed. The youthful star is ably supported in this feature by James Liddy as the young Virginia aristocrat; Lloyd Bacon as Walter, a fugitive from the law; Jesslyn Van Trump as his accomplice; James Fairley as a detective; George Kenial as a rural sheriff; Neal Hardin as a secret investigator.

and with a score of other roles in capable hands.

Anne Cornwall has the role of a young girl who leaves school, where she has been cared for by her brother, only to find that this relative's source of income is looked upon with disfavor by the law. However, she considers it her duty to stick by him until he is safe from detection and has an opportunity to turn over a new leaf.

While pursued by the authorities this brother, Walter, accompanied by his sister, Judith, and his wife, Vera, seek shelter in a country hotel in Virginia. In order to remain on the outside in case of apprehension, Judith goes for a ride in the woods where she is marooned by a terrific thunderstorm and where she meets with an adventure that turns the entire course of her life. Romance comes to her in the person of Boone Pendleton, of the Virginia Pendletons, and the love story which ensues is one of the most unusual ever devised. There is a surprise in every situation until the final climax brings an unlooked-for but happy denouement.

MAYFLOWER DAMAGED

Washington, Dec. 28—The yacht Mayflower, on which American presidents and cabinet officials as well as notables from many other nations have rode, caught fire at its wharf Tuesday. The crews and official quarters were destroyed. The damage was estimated at \$100,000.

Why Drugists Recommend Swamp-Root

For many years druggists have watched with much interest the remarkable record maintained by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder medicine. It is a physician's prescription.

Swamp-Root is a strengthening medicine. If helps the kidneys, liver and bladder do the work nature intended they should do.

Swamp-Root has stood the test of years. It is sold by all druggists on its merit and it should help you. No other kidney medicine has so many friends.

Be sure to get Swamp-Root and start treatment at once. However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Hamilton, N. Y., for a sample bottle. When writing be sure and mention this paper.—(Adv.)

An Invitation to the Dance

ONE of the many lovely dance frocks made of taffeta silk is pictured here, and if ever there was a more alluring invitation to the dance than it succeeds in expressing, we will have to look to music to make it. For party dresses, for dancing, nothing seems to have quite the charm of taffeta silk, and it may be rightly described as a joyous fabric in its light colors. In black and dark colors it makes afternoon and dinner frocks unpretentious, but surpassingly charming. The youthful and pretty model shown in the picture employs apricot colored taffeta with a frivolous short overdress of chiffon in the same color. This is made of overlapping flounces having scalloped edges bound with bias folds of the taffeta. The underskirt is moderately wide and ankle length, the simple bodice draped in a "V" shaped neck opening at the back and front, and filled in with a chemisette of fine lace. The sleeves are merely two flounces of the scalloped chiffon. Many pretty rivals of this dress brighten the display room of the shop that presents it. There is one in pink

taffeta having a plain "baby" waist with straps of taffeta over the shoulders and a full round skirt. About the bottom of the bodice there is a narrow frill formed by gathering the skirt to the bodice in this way, and nestling in this frill, across the front, there are small, half-blown garden roses set in a row. Over them and over the bodice there is a veil of malines scantily draped. It is hardly noticeable, but adds a beautiful touch like a rosy mist over silk and flowers. It is like the taffeta in color.

Imagine, in the company of these two frocks, a third of apple green taffeta, with a low bodice and full skirt gathered on a small wire at the hips to make it stand out from the figure. It has a pretty fichu of malines to match, and there are motifs made of light green glass beads scattered about on the skirt.

Color and Precious Stones. Diamonds are not always crystal clear, but vary greatly as to color and few of the precious stones are true to color. The famous Hope diamond is a real and most beautiful blue. Green diamonds are found, and others of a lovely crimson, but these are very rare. Black diamonds are common enough. Black pearls are rarer, but are found. Pink pearls are greatly prized.

SEASONABLE GOOD THINGS.

Chicken served in the ordinary way may become monotonous, so something new appeals, try this:

Chicken en Casserole.—Disjoint a chicken and use the best joints; roll in seasoned flour and saute in salt pork fat until browned delicately on all sides. Cut a carrot in even slices; add an onion for each person to be served. From peeled potatoes, cut out a dozen and a half balls. Cook the vegetables in a little of the fat until slightly browned, then dispose the pieces of the chicken and the vegetables in the casserole. With the giblets, neck and other pieces, make some chicken broth, by covering with cold water; pour this while hot over the chicken and vegetables, and after seasoning cover and let cook in the oven until the chicken is tender—it will take about two hours. The broth should be prepared two hours or more before the chicken is ready to cook.

Lamb Chops With Chestnut Croquettes.—Prepare the chops cut evenly from the loin, that each may cut from the bone and be skewered in place. Cook the chops in the oven, turning until well browned. Set them in the center of a hot chop plate, each resting on the bit of back bone attached to it and served.

OFFICERS SURPRISE 59 IN WHISKEY RAIDS

Town of Hurley, Wis., is invaded by 59 Officials Who Find Things Wide Open

STILLS WORKING OVERTIME

(By United Press) Hurley, Wis., Dec. 29.—A small army of prohibition agents swooped down on the town of Hurley Tuesday and started a wide spread cleanup of the alleged liquor traffic.

Seventy-five agents arrived from Chicago and immediately served 59 warrants issued for the arrest of members of the alleged whiskey ring.

The raids indicated that the alleged liquor dealers were taken by surprise as most of the places were running wide open. Fifty soft drink parlors were raided and the doors were closed. Most of the proprietors were arrested.

The raids were conducted hurriedly and the proprietors had little time to escape. The town was running wide open in preparation for the Yuletide greetings of the New Year.

Have Pains?

Aches and pains seem to be the lot of the ordinary mortal. However, these should be taken simply as nature's warning signals that some part of the human machine is out of order. It is a mistake to resign one's self to physical torture when the cause can be removed.

Foley Kidney Pills tone up weak, inactive, sluggish kidneys and help rid the blood of poison-waste matter that causes aches and pains in arms and legs, backache, rheumatic pains, sore muscles, stiff or swollen joints.

Isaac B. Turnman, Astbury Park, N.J., writes: "My back caused me a great deal of trouble for some time. I experienced sharp, shooting pains which were due to the condition of my kidneys. One bottle of Foley Kidney Pills completely relieved me. The pains left my back. I recommend Foley Kidney Pills to my friends."

AMERICANS' DIETARY STANDARDS CHANGED

People Are Eating Great Deal Less Meat.

Recent Survey Made by Department of Agriculture Shows That More Milk, Butter and Cheese Are Being Consumed.

Whether it is because of the increased cost of meat or because people's tastes have changed, the fact remains that Americans are eating 8 per cent less meat than they were 20 years ago. This is disclosed in a recent dietary survey made by the United States Department of Agriculture.

In this survey 2,000 dietary records, each covering a period of 7 days, were collected from 1,425 families and 575 institutions in 46 states. Sixteen nationalities and many occupations and incomes were represented, as were also both urban and rural localities.

From a summary of 500 of these family records it appears that last year the average cost of food per man per day was 46 cents, with an average return in food value of 3,225 calories, 90 grams protein, 118 grams fat, and 405 grams carbohydrate. These figures are in fairly close accord with the dietary standards ordinarily used in discussing such problems of general nutrition.

A comparison of the foodstuffs purchased by the 500 families with the amounts of the same food purchased by 400 families about 20 years ago shows that the amount of meat in the American diet has decreased about 8 per cent, and the amount of grain products about 11 per cent. People are eating more milk, butter and cheese than they were two decades ago, for the amount of dairy products consumed has increased about 6 per cent. Four per cent more vegetables and 8 per cent more fruit is being eaten now.

Some individual food habits undoubtedly need to be corrected, but, judging by these studies, it seems fair to conclude that the average diet seems to be adequate.

Witness, the Clerk of said Court, this 13th day of December, 1920.

"I Shall Never Quit Praising Tanlac," Says Nieten—Health Has Been Completely Restored.

"My experience has convinced me that Tanlac is the greatest medicine in the world, for it gave me relief after everything else had failed," said H. Nieten, of 1410 Second Ave., Evansville, Ind.

"For about two years I suffered from indigestion and nervousness. Everything I ate caused a heavy feeling like lead in the pit of my stomach and bloated me up with gas until I nearly smothered. I couldn't eat meat or potatoes, in fact there were a number of things I never dared touch, for if I did I was sure to suffer agony afterwards."

"I had constant pains all over my body, especially in my left side and chest, and I could hardly get any sleep at night. I was subject to attacks of dizziness. I had a tired, languid feeling all the time, and though I took one kind of medicine after another nothing did me any good." E. R. 2-7 (Adv.)
